50 Years

The 2018 Central States Conference on the Teaching of Foreign Languages (CSCTFL) will mark the 50th gathering of language teachers from across middle America under the auspices of CSCTFL for the purpose of sharing information, asking questions, discussing solutions, as well as learning from and with each other - the perfect PROFESSIONAL DEVELOPMENT opportunity!

To honor all the dedicated professionals who have made CSCTFL a success, the CSCTFL Board of Directors announces...

The purpose of the fund is to provide financial assistance to teachers to support their attendance at future CSCTFL conferences. The fund will be administered by the CSCTFL Grants Committee, which will set criteria and application procedures in the fall of 2018 for attendance at conferences beginning in 2019.

Knowing the value of high-quality professional development and collegial interaction, you can support fellow teachers by contributing to this fund as a way to commemorate the 50th year of CSCTFL.

Contributions can be made on the 2018 Conference Registration Form or can be made now by accessing the fund site at:
