

ACTFL Workshops at CSCTFL 2013

CSCTFL is pleased to announce that ACTFL is generously scheduling two 6-hour workshops at CSCTFL 2013 conference.

Both workshops will cost \$140 each and will be held on Thursday, March 14, 2013.

Registration for them will only be available via the CSCTFL Registration Form.

Please plan on including them in your conference schedule.

Common Core Standards Through World Languages: Developing Literacy for 21st Century Learners

Emphasizing the three modes of communication (interpersonal, interpretive, and presentational), participants will learn to develop students' literacy as described in the Common Core State Standards. They will examine the crosswalk between the Common Core State Standards and the national language standards, and experience and analyze numerous strategies that explicitly build students' skills in interpretive listening and reading, presentational writing, and interpersonal listening and speaking. They will also identify approaches that simultaneously develop 21st century skills in media literacy, applications of technology, and collaboration while engaging and motivating students at all levels.

OPI Familiarization

This is an introduction to the ACTFL Proficiency Guidelines, the ACTFL Rating Scale, and the ACTFL Oral Proficiency Interview (OPI). You will be able to view demonstration interviews and discuss the implications of the ACTFL Proficiency Scale and the OPI for establishing program goals, and for planning curriculum, instruction, and assessment. This workshop will prepare you to use effective questioning strategies that promote oral proficiency development.
