

## **Continuing Education Credit**

Your state or school district may approve this conference experience for your professional development or licensure. To fulfill their local professional development requirements, K-12 teachers should first check with their own district for the appropriate steps to receive approval for conference participation. The Central States Conference on the Teaching of Foreign Languages will provide documentation of attendance so that as many teachers as possible in the Central States Conference region can benefit directly and immediately from the conference for their professional development. Attendees should complete a separate Conference Workshop/Session Attendance Form for EACH DAY of attendance. Forms are available at the Conference Registration Desk and at the Hospitality Desk.
