

CSCTFL DELEGATE ASSEMBLY

Thursday, March 14, 2012

1:30 PM – 4:30 PM

Facilitators: Lisa Lilley, Springfield (MO) Schools; Jill Woerner, Zionsville (IN) Community High School

Connect, communicate, and collaborate with representatives from the other 17 states in the Central States Conference at the Delegate Assembly. Delegates will focus on common concerns and solutions in a collegial forum on Thursday afternoon. Each state is invited to send 2-3 delegates to share their state's perspective and learn about issues facing our region. State leaders should watch for their state's invitation in December and make plans for their representatives to attend.
